It is expected that more than 200 persons will participate in what is expected to be one of the largest such event promoting environmental consciousness in Bahrain.

We would invite other interested organizations to join us for this mega event and they can contact CA Sanjay Gupta on 39415356 or CA Nitin Mahajan on 39784087 who are coordinating this project.

The program details are as follows:

The organizers will provide suitable equipment such as gloves, rakes and bags to clear the beach. Arrangements are being made to provide transport from and to Manama and back and snacks, water and juices will be served at the beach. T-shirts will be provided by KPMG.

Alok Gupta, Chairman BCICAI said "As part of our vision for the year, we have felt that our Chapter should also contribute to the social good of the community in Bahrain. This wonderful country has given us much to be grateful for and we should reciprocate by our actions."

Lion Eric Sequeira, President, Lions Club of Riffa said "LoR is an organization whose services are dedicated to the community in Bahrain through its charitable activities towards social causes for more than 10 years. We have been conducting a similar event every year and it is good to tie-up with like minded organizations to spread environmental consciousness"
