

CA Mahesh Balasubramanian

Partner, Audit & Advisory Services, KPMG Bahrain

Topic:

Overview of different modeling techniques for IFRS 9

Mahesh has been with KPMG for over 15 years and is a Partner with the firm responsible for audit and advisory services. He is the regional IFRS Partner and has lead implementation of IFRS 9 and Basel 3/ risk management engagements across the region.

He has implemented IFRS 9 solutions for over 50 entities including large banks, telecoms and large corporate family groups/ conglomerates across the GCC.

Mahesh was also the primary author of the publication “IFRS 9: Transition impact on banks in the GCC” which comprehensively covered the topic and reflected the perspective of practitioners and users of models.

He has conducted multiple sessions and trainings on this topic among others for regulators and major forums in the region.
